

APPLICATION FOR LIMITED MANDATORY CERTIFICATION

KRS Chapter 314A creates a mandatory certification requirement for all persons who practice respiratory care in the Commonwealth of Kentucky. The Kentucky Board of Respiratory Care is empowered to issue the necessary credentials and oversee the practice of respiratory care in the state. A copy of the statutes is attached for your review.

Specifically KRS 314A.110 (3) sets forth that “In order for student respiratory care practitioners to be employed for compensation to provide respiratory care services, they must apply to the Board for a limited mandatory certificate which will permit them to perform respiratory care procedures (for which they have received training) under direct supervision of a respiratory therapist who holds a mandatory certificate.” Attached is an application which may be completed and sent, along with the appropriate fee to the Board for processing.

Persons holding the limited mandatory certification are restricted from the performance of continuous mechanical or physiological ventilatory support, arterial puncture, and blood gas analysis. The limited mandatory certificate may be granted only to individuals **actively enrolled in an accredited program for a period not to exceed three years.**

The application contains seven sections which must be completed in order to be reviewed by the Board. The sections are as follows:

1. Personal Information. Supply all pertinent information and answer all questions. If the answer to any of the questions is “yes”, attach additional information explaining this response.
2. Employment Information. Provide the appropriate information about the setting in which you propose to work.
3. Supervisory Information. Since your work must be done under the direct supervision of a credentialed individual you must list the name, certificate number, and address of your proposed supervisor.
4. Supervisor’s Affidavit. This section must be signed and dated by the person listed in the above mentioned section as an agreement on their part to provide supervision.
5. Educational Information. This section is to be completed by the Program Director. If enrollment is in an out of state institution, such as California College for Health Sciences, submit verification of enrollment directly from the school.
6. Program Director’s Affidavit. This section must be signed by the Program Director of the educational program in which you are enrolled.
7. Applicant’s Affidavit. This section must be signed and dated by the applicant.

Additionally, those persons who have completed their educational training should use the Application for Mandatory Certification to apply for temporary permission to practice. A temporary permit may be issued, for a period of six months from graduation, to a person who has graduated from an approved educational program and is waiting to sit for the entry level examination that will be administered by the National Board for Respiratory Care or its equivalent.

The completed application should be sent along with an application fee (\$10) and the limited mandatory certification fee (\$40) totaling \$50 to the Board at the address on the front page of the application. The fee may be paid by personal check, cashiers check, or money order payable to the KENTUCKY STATE TREASURER. Both the application fee and the limited certification fee are non-refundable.

If you have questions regarding this process, please feel free to contact the office at 859-246-2747.

FINANCIAL LOAN STATUS NOTICE
(Important, Please read carefully)

All applications or licensees requesting certification and registration, must not be in default on any educational financial loans with Kentucky Higher Education Assistance Authority (KHEAA). Failure to fill out this form will result in your certification being denied by the KBRC pursuant to KRS 164.772(3). A Memorandum of Understanding between KHEAA and the KBRC requires applicants for initial or renewal certification to certify to the KBRC that he or she is not in default on any educational financial loans with KHEAA.

STATEMENT OF FACT (Required by KRS 164.772)

I hereby state that I am not in arrears or default on a repayment obligation under any financial assistance program with Kentucky Higher Education Assistance Authority.

I understand that if I am in arrears or default on a repayment obligation under any financial assistance program with Kentucky Higher Education Assistance Authority, my licensure to practice respiratory care in the Commonwealth of Kentucky may not be issued or renewed.
